

# Kids Club - Classes still open!

There are still openings and you can still register your Stinger for **afterschool classes** in Winter 2018!!

Classes will be held Wednesdays, January 10<sup>th</sup> to February 14<sup>th</sup>, 3:00-4:00 pm at SPES!!

Basketball! Taekwondo! Legos! Engineering! Chess! Drama! Science!  
Dance! Drawing! Golf and Tennis!

Lots still open to choose from for this fun after school winter program!

## How to register:

1. Contact each vendor directly to register. Contact information for each vendor is listed below.
2. Fill out SPES Authorization Form at the following link: <http://spespta.com/specialevents/winterspring/kids-club/kids-club-authorization-form/> (note: this form does not register you, it gives parent permission)
3. Deadline to register is Friday, December 15<sup>th</sup>, at 8:00 pm.

*If you have any questions regarding registration OR if you would like to volunteer during KIDS CLUB, please email [SPESKidsClub@gmail.com](mailto:SPESKidsClub@gmail.com).*

## SPES Kids Club 2018 Class Offerings and Contact Information:

**Bob Foley Basketball (Grades 2-5) 2<sup>ND</sup> GRADE ADDED!** **Cost: \$70**  
**Bob Foley** – [bobfoley411@verizon.net](mailto:bobfoley411@verizon.net), (804) 387-9493

Have fun shooting hoops while sharpening your basketball skills! Bob Foley and his team will give you a better understanding of the game. Improve your footwork, ball handling, passing and shooting!

**Bricks 4 Kidz: Engineering with Motorized Lego Bricks (Grades 1-5)** **Cost: \$65**  
<http://www.bricks4kidz.com/richmond>

Have your child stay for a Bricks 4 Kidz Lego class after school. Our fun-filled model plans designed by engineers and architects, teach children to learn with Lego Bricks. Using axles, gears, motors, and bricks we will build vehicles, contraptions, inventions, animals and much more!! Come join the fun... Lego Bricks Style!

**Champion Chess (Grades 2-5)** **Cost: \$77**  
**Brian Garbera** – [coachbrian@championshipchessva.net](mailto:coachbrian@championshipchessva.net), (804) 921-2410

Boys and girls have fun playing the game of chess and learning to be better players. Playing chess helps kids think more clearly and improves math and reading skills. Classes include both instruction and supervised play.

**Drama Kids (Grades K-5)** **Cost: \$60**  
**Amy Hurt** – [dramakidsrichmond@yahoo.com](mailto:dramakidsrichmond@yahoo.com), (804) 955-8062 **LIMITED SPOTS AVAILABLE**

Join Drama Kids for our dramatic 6-week acting and improvisation workshop where students will participate in a wide range of new dramatic activities that include: mini-scripts, characterizations, scene starters, speech and movement techniques and improvisation skills. Above all, our drama classes are fast paced, great fun, and have NEW activities and lessons each week. Session concludes with a wonderful mini-performance in class for family and friends.

**Little Scholars: Short Pump NewsPaper Club (Grades K-2)**

<https://shortpumpelementary-newspaperclub-winter2018.eventbrite.com>

The first edition of the school newspaper needs your help! Students will enjoy this exciting class as they create authentic newspaper stories. They will be transformed into reporters and editors! They will publish the first school newspaper!

**Taekwondo America of Richmond: Ninja Training (Grades K-5)**

**Cost \$65**

**Sonja Scott 804-747-5425**

Join us for a fun and exciting class where you will put your ninja skills to the test as you work on focus and speed! Students will learn to break boards and learn a series of moves which they will demonstrate for their parents at the last class. Students will also learn self defense techniques. Cost of the program includes a Taekwondo America T-shirt and belt.

**Sportz4life: Golf and Tennis (Grades k-5)**

**Cost \$75**

[www.sportz4lifespeskidsclub.com](http://www.sportz4lifespeskidsclub.com)

NEW this year!!! Sportz4life is bringing their engaging golf and tennis classes to SPES!! Sportz4life will introduce students to the games of golf and tennis with easy to learn skills and creative games. Students will learn swings, grips, putting, chipping, volleys, forehands, backhands, balance and movement, etiquette, and positive character traits. Come and learn the basics of 2 sports that can be played for life!

**Passion Academy: Music and Dance (Grades 3-5)**

**Cost \$75**

**Jonathan Lingerfelt: email - [jonathan@passionacademy.net](mailto:jonathan@passionacademy.net)**

Students will be introduced to various instruments up close and see for themselves how music is made on a guitar, violin, keyboard, and many other instruments. Students will get the chance to learn basic musical rhythms and perform them in a live music circle.

**Young Rembrandts: Wild and Wacky Winter Drawtoons (Grades k-5)**

**Cost \$72**

[www.youngrembrandts.com/metrorichmond-va](http://www.youngrembrandts.com/metrorichmond-va)

Encourage your child's enthusiasm for art and help develop his or her drawing skills with drawtooning class! Students will learn personification as they transform ordinary cameras into fully realized cartoon characters and to tell a story through a series of humorous drawings.

**Engineering for Kids: Jr Aerospace Engineering (grades k-2)**

**Cost \$75**

[Centralva@engineeringforkids.net](mailto:Centralva@engineeringforkids.net) 804-538-3828

Come explore the world of Flying Machines! Students will explore straw rockets, airplanes, parachutes, and Blimp Blitz. You will use the engineering design process to create, test, and refine a variety of flying machines. Get a first hand look at the basic mechanics of flight construction. Design a parachute! Test your design ideas and challenge your friends!

**Engineering for Kids: Mechanical Engineering: (grades 3-5) LIMITED SPOTS AVAILABLE Cost \$75**

[Centralva@engineeringforkids.net](mailto:Centralva@engineeringforkids.net) 804-538-3828

Students will use the engineering design process to design, create, test, and improve a variety of machines and mechanical systems. Students will construct marble runs, roller coasters that loop, catapults, rubber band racer, and air powered dragster.

**Mad Science: Science Grab Bag (grades 1-5) LIMITED SPOTS AVAILABLE**

**Cost \$69**

**Tori Sharpe: email - [tori@madscienceofcentralva.com](mailto:tori@madscienceofcentralva.com) 804-359-1500**

Get ready to touch, see, hear, and smell what science is all about! Use your mind to solve the great cookie-caper mystery. Experience the creepy world of bugs that live all around. How do magicians make magic happen? You will discover the science behind it and try for yourself! Unique science experiments to take home each week.
